

# SCIENCE CLUB

## INTRODUCTION

The Science Club was inaugurated on 29th July 2024 in our school, encouraging the students towards developing scientific attitude. The event was attended by Principal Sr Anuja . In charge teachers. Tr. Urmila, Radhika, Priya, and Rita. It was the first step taken by the club to the future endeavors.

## AIMS AND OBJECTIVES:

- 1) To promote inquisitiveness among the students and inculcate scientific temper among them.
- 2) To improve and make human life easier by the use of available natural resources and solving the problems.
- 3) To eradicate superstition prevailing in the society.
- 4) To ignite curiosity encourage experimentation, and foster a love for science in all its forms.

Then Bhavishka Maharani gave the importance of Science Club.

## ACHIEVEMENTS:

- ✓ Students enhances their scientific knowledge,
- ✓ Develop critical thinking, skills and cultivate a passion for science.
- ✓ Increases sparking curiosity
- ✓ Boost Self confidence
- ✓ Learn Interactive experiments
- ✓ Thought provoking discussions
- ✓ Better understanding of scientific concepts
- ✓ Develops genuine passion for exploration and discovery

## CONCLUSION:

This event has demonstrated the vital role of hands-on learning and collaborative inquiry in making science accessible and exciting. It provides an opportunity to explore science in innovative ways. The success of this event reaffirms our commitment to nurturing young minds in our school.

Then our principal Sr. Anuja was requested to say few words and she pinned up the badges to our newly appointed club executive members. Tr. Rita also spoke about the importance of science club activities and the program ending with the vote of thanks.
