

TREE PLANTATION REPORT

Date : 27.08.2024

To promote environmental awareness and contribute to the greenery of our DON BOSCO SCHOOL AND JR. COLLEGE campus, a tree plantation drive was organized on 29th July 2024.

Objectives :

1. To promote environmental awareness and consciousness among students.
2. To educate students about the importance of trees in maintaining ecological balance.
3. To involve students in hands-on activities that contribute to environmental conservation.
4. To teach students about the role of trees in combating climate change.
5. To foster a sense of responsibility and ownership among students towards nature.
6. To serve as a hands-on learning experience for students, integrating science, biology, and environmental studies.
7. To inspire students to adopt sustainable practices and become eco-friendly citizens.
8. To develop teamwork and collaboration skills among students through a shared activity.

Future Plans:

- Regular watering and maintenance of the planted trees.
- Organization of future tree plantation drives to further expand the school's green cover.
- Involvement of students in monitoring and caring for the trees.
